

## Topics in Integrative Health Care Authorship Form

Materials published in *Topics in Integrative Health Care* online are covered by copyright. All rights are reserved under United States and international copyright and other laws and conventions.

Each author must read and sign for the statements on 1) authorship responsibility and contribution, 2) financial disclosure and conflict of interest, 3) copyright transfer. **The corresponding author must sign the Acknowledgement Statement.** Each author should scan and email the completed form to [cherylkhawk@gmail.com](mailto:cherylkhawk@gmail.com) to initiate manuscript processing.

**Manuscript title:**

### 1. Authorship Responsibility and Contribution

- I certify that this submission represents original work, and that neither this submission nor a substantially similar one has been published or is under consideration for publication elsewhere in any medium (paper or electronic). I also affirm that this submission is not subject to copyright or any other rights except those of the current authors, to be transferred to the *TIHC*.
- I certify that if so requested by the editor, I will provide the data or cooperate in obtaining the data on which this submission is based, for review by the journal's designated representative(s).
- I agree that the corresponding author may represent me to review proofs and make other decisions regarding the submission.
- I have approved the submission.
- I certify that I meet the criteria for authorship, having made substantive contribution to the manuscript as indicated below (check all that apply).
- |   |  |
|---|--|
| <input type="checkbox"/> Development of project concept or hypothesis | <input type="checkbox"/> Data analysis and interpretation of results |
| <input type="checkbox"/> Study design and development of methodology  | <input type="checkbox"/> Literature search and review                |
| <input type="checkbox"/> Project implementation                       | <input type="checkbox"/> Manuscript writing                          |
| <input type="checkbox"/> Data collection and management               | <input type="checkbox"/> Other (specify contribution)                |

### 2. Financial Disclosure and Conflict of Interest

- I certify that all sources of extramural support of this submission, and the role of any funding agencies in the conduct of the study have been clearly described in the Acknowledgements section of the submission.

**Check one of the following two statements:**

- I certify that I have no financial interests, relationships or affiliations related to the project or materials addressed in the submission.

**OR**

- I certify that any potential conflicts of interest, including financial interests, relationships or affiliations related to this submission are disclosed in the Acknowledgements section of the manuscript.

### 3. Copyright Transfer

In consideration of the action of *Topics in Integrative Health Care* in reviewing and editing this submission (including manuscripts, tables, figures and any supplemental documents), I hereby transfer, assign, or otherwise convey all copyright ownership including all rights and incidental thereto, exclusively to *Topics in Integrative Health Care*, in the event that this work is published by *Topics in Integrative Health Care*.

### Acknowledgement Statement to be signed by Corresponding Author

All individuals named in Acknowledgements section should provide written permission. I certify that:

- All individuals who have made substantive contributions to the submission but who do not qualify as authors have been named, along with their specific contribution, in the Acknowledgements.
- All individuals not named have provided me with their written permission to be named.
- If no Acknowledgement section is included in the submission, there are no other contributors to the manuscript.
